Idaho Equine Hospital offers immersive training experiences for veterinary students and new graduates seeking careers in equine medicine. Interns will receive focused in-clinic training in areas such as advanced dentistry, anesthesia, and ophthalmology, providing an ideal environment for learning and professional growth.

Idaho Equine Hospital is the premier referral hospital in the Northwest, staffed with boarded surgeons and internists/criticalist. We also offer advanced diagnostics with both high-field and standing MRI, nuclear scintigraphy, and we have a state of the art reproduction center at Outback Equine Reproduction Center.

Our **12-month** internship provides broad clinical exposure and hands-on experience through rotations in Internal Medicine/Reproduction, Surgery/Sports Medicine, and Emergency Care as well as Ambulatory exposure, with a diverse caseload and strong mentorship.

Idaho Equine Hospital is a premier full-service referral hospital serving all of Idaho and the Northwest. Located in Nampa, just outside of Boise, the hospital features a 78-stall facility set on 3 acres, with a 10,000-square-foot hospital building that includes a surgical suite, dedicated induction/recovery stalls, and specialized treatment areas for medicine, surgery, reproduction, and health management.

Beyond the clinic, make use of the unmatched quality of life offered by Idaho's Treasure Valley. With easy access to hiking, skiing, whitewater rafting, and mountain biking, the area is a haven for outdoor enthusiasts. Boise's growing city scene offers great restaurants, music, and culture—all with a welcoming community and a lower cost of living.

Externship Requirements: Veterinary students in their 2nd–4th years are encouraged to join us for a **2–4 week** externship to gain valuable clinical experience and explore life in a busy private equine practice. Those interested in applying for the internship are strongly encouraged to complete an externship. To schedule, contact: jespinoza@idahoequine.com

Internship Requirements: Applicants must have a DVM or VMD from an accredited university and be eligible for licensure in Idaho. Strong interest in equine practice, professionalism, and a solid work ethic are essential. Preference is given to those who have completed an externship. We offer our interns a competitive salary with benefits, and housing stipend.

To apply, email a letter of intent, resume, 3 reference letters, and transcripts to: pknox@idahoequine.com

We offer exceptional hands-on training with a diverse caseload, expert mentorship, and comprehensive benefits in the beautiful Treasure Valley!
