

# CAREER OPPORTUNITIES

Externship & Fellowship Opportunities

Animal Imaging

JOIN  
OUR  
TEAM!

Our **Imaging Externship Program** gives students exposure to multiple modalities of diagnostic imaging including MRI, CT, nuclear scintigraphy, ultrasonography, and radiography as well as equine anesthesia, sports medicine, and lameness diagnosis.

The core objective of our **Equine Imaging Fellowship** is to prepare the doctor for a radiology residency, sports medicine residency or other advanced training.

To learn more, visit our website at [animalimaging.net](http://animalimaging.net) If you would like to schedule a visit to our facility please contact [externships@animalimaging.net](mailto:externships@animalimaging.net)

# PARTNERING TO FIND SOLUTIONS THROUGH IMAGING

Animal Imaging

**Animal Imaging** is an outpatient imaging center in the Dallas-Fort Worth Metroplex. We offer high-quality diagnostic imaging services and interpretations for our referring veterinarians.

At Animal Imaging, we strive to provide exceptional care and an empathetic experience for clients, patients and referring veterinarians, while providing the information needed to accurately make diagnoses and improve the quality of life in our companion animal and equine patients. We are leading the way in veterinary diagnostic imaging.

**Imaging Externship Requirements:** Open to veterinary students with basic horse handling experience, proof of liability insurance, health insurance and a signed release form. Externships are booked on a first-come, first-serve basis.

**Equine Imaging Fellowship Requirements:** Open to licensed Doctors of Veterinary Medicine in good standing and are able to obtain a license in the state of Texas. Candidates should be preparing for residency programs in radiology, sports medicine or another advanced specialty. Candidates that have completed an equine internship or worked in an equine sports medicine practice are preferred.

Benefits include on-site housing for externs. If you are looking for a great place to live, work and raise a family, the Dallas-Fort Worth area is the place to be.
