OUR
TEAM!

The **externship program** at DPE allows students to observe and interact during case diagnosis both in the clinic and during ambulatory services.

Participate in patient treatments and care, and see ample after-hours emergencies.

Our **internship program** provides the hands-on

learning experience and knowledge-base growth needed by first-year veterinarians to become skilled general practitioners or advance into residency programs.

SOUTHERN NEVADA'S ONLY FULL-SERVICE HOSPITAL

Desert Pines Equine Medical & Surgical Center is driven to improve the health and performance of its patients through progressive, high-quality medicine, surgery, and preventative care. This six-doctor practice in Las Vegas, NV, includes surgeons, and an internist, and excellent support staff and offers clinic and ambulatory services. Reproductive services, elective surgical cases, preventative medicine, performance and regenerative medicine, and neonatal medicine, are seen daily. The clinic uses state-of-the-art equipment and offers two treatment areas, one surgery room, a barn, ICU and isolation stalls, and an imaging area. DPE is the primary service provider for **South Point Arena and Equestrian Center** and the official veterinary hospital of the

National Finals Rodeo. From barrel racing to Grand Prix dressage and jumping, DPE treats a variety of equine athletes.

Extern Requirements: Open to veterinary students with basic horse-handling experience; externships are booked on a first-come, first-serve basis and are offered year-round; application should include a cover letter and curriculum vitae.

Internship Requirements: Externship recommended but not required; application should include a cover letter, curriculum vitae, and three letters of recommendation; the annual application deadline is October 15th.

Benefits include on-site housing for externs. Interns receive competitive salaries and benefits, not to mention we are located in a great climate for outdoor activities!
