Externship & Internship Programs

JOIN  
OUR  
TEAM!

**Delaney Veterinary Services** is central and northern Alberta's premier equine referral facility. Our comprehensive services include Surgery, Sports Medicine, General Hospital and Ambulatory Care, Advanced Diagnostics, and Rehabilitation Services. Our board-certified specialists provide advanced medical and surgical care.

If you are looking for experience in a busy, ever-changing environment and enjoy working with a supportive and collaborative team, we are looking for you!

The externship will give students exposure to both general and referral equine practice.

We offer two distinct internship pathways: general practice or surgery/lameness.

The goal of this internship program will allow you to pursue equine practice in an intense case load environment under the direct guidance of experienced equine veterinarians.

# BLENDING MODERN ADVANCES WITH TIME HONOURED VALUES OF COMPASSION, RESPECT, AND EMPATHY

The DVS facility features a state-of-the-art surgical suite, recovery rooms, intensive care barn, advanced endoscopy, digital radiography, ultrasonography, lameness diagnostics, and shockwave therapy. Our additional indoor arena and long alleyway allow us to continue our exceptional veterinary care year-round.

We are proud to foster a supportive, team-oriented work environment with highly trained staff and readily available mentorship across specialties. We are proud to serve a loyal, long-standing clientele.

DVS is conveniently located in Sherwood Park, only 20 minutes east of Edmonton. A city where outdoor adventure meets vibrant culture, world-class dining, and a thriving arts scene.

**Externship Requirements:** Externs must have basic horse handling skills and a primary professional interest in equine veterinary medicine. To schedule your visit, email [management@delaneyvetservices.com](mailto:management@delaneyvetservices.com).

**Internship Requirements:** Externship suggested; applications should include a cover letter, curriculum vitae, and three letters of recommendation. A license to practice in Canada is required; a supervised license may be accepted.

The deadline to apply is December of the year prior to the internship. Internships begin in June of the that year. Internship applications can be e-mailed to [management@delaneyvetservices.com](mailto:management@delaneyvetservices.com)

Benefits include on-site housing for externs. Interns receive competitive salaries and benefits, an exceptional caseload, and outstanding mentorship!
