TEAM!

Avenel Equine Hospital is part of Scone Equine Group, Australia's largest provider of Equine Veterinary Services across its subsidiary practices Scone Equine Hospital, The Equine Podiatry & Lameness Centre and Tamworth Equine Veterinary Centre.

Avenel Equine Hospital offers internships and externships. Our **Hospital Internship** program is designed for recent graduates to further develop equine specific knowledge and skills supported by a dedicated and experienced team of senior veterinarians.

The structured program provides extensive experience in equine surgery, foal & adult medicine, lameness, diagnostic imaging, critical care and anaesthesia through involvement in a large and diverse caseload. The 12 month program rotates through anaesthesia, medicine and surgery.

**Avenel Equine
Hospital**
Dedicated expert care

Avenel Equine Hospital is a full service equine hospital located in the heart of Victoria's Thoroughbred breeding region, providing comprehensive services to equine clients in the local area and referrals from as far away as Queensland.

We provide full equine surgery and intensive care service, provided by Specialists in Equine Medicine and Surgery. The surgical caseload performs over 550 major surgical procedures annually and we are equipped to perform elective and emergency procedures. The hospital caseload is predominantly neonatal ICU with over 100 foals admitted annually as well as postpartum broodmares and colic cases.

We have a state-of-art surgical facility which enables us to offer a dedicated 24/7 surgical service.

Hospital Internship Requirements: Only available to graduates with a veterinary degree registrable with the Veterinary Practitioners Board of Victoria, Australia. Please email your application with a cover letter and CV to lesley.hayward@sconeequine.com.au

With exposure to a diverse caseload, early in career veterinarians gain a broad exposure to equine practice, providing them with the best opportunity to be prepared for an ongoing career in equine practice.

Externship Requirements: Please fill out the student externship application on our website under our *Careers* tab.
